INSTALLATION

1. Start by connecting the provided bracket to the molle panel, as shown and oriented below. Using (2) of the provided 1/4"-20 button heads and flange nuts to secure. Repeat this process for the other side.

2. Next, assemble your (3) provided panel pieces together, as shown and oriented below. You will need to use (12) provided 1/4"-20 button heads and flange nuts to secure.

INSTALLATION

- 3.** Once your (3) panel pieces are assembled and hardware tight, secure the pet divider to the brackets on molle panel with (3) provided 1/4"-20 button heads and flange nuts. Secure as shown in the orientation below on each side.
